Railway station at 900 m

Maestro

Every year, the BAM (Fine Arts Mons) welcomes several exhibitions presented in an area of around 2,000 sq. metres – an wonderful opportunity to get to know a particular artist, artistic movement or theme relating to the museum collections, boasting over 15,000 works of art.

The BAM is designed to offer a unique experience and discovery venue for all forms of artistic creation, together with a lively meeting place fronting year-round events.

This resolutely-modern architectural project combines functionality, the exactness required of museums and aesthetics, in the shape of its beautifully translucent, light-filled walkways.
