Push open the doors to this luxurious 19th-century house to meet brothers Jean and Charles Gaspar – the first a sculptor and the second a pictorialist photographer and patron.

Jean's animals, bursting with energy and realism (Jean studied under Jef Lambeaux) rub shoulders with the gentle, timeless photos of Charles.

The museum hosts major temporary exhibitions from its fabulous collections.

At the end of the tour, you will discover the exceptional "Fisenne" altarpiece from Antwerp dating from the early 16th century, along with religious art collections.
