Domain & Royal Museum of Mariemont

A journey through art, culture and nature!

We are reopening on Saturday 22 November with the exhibition 'Mary of Hungary - Art & Power in the Renaissance'!

Discover an exceptional domain and enter a magnificent 45-hectare park where remarkable trees, monumental sculptures and the ruins of an 18th-century palace stand side by side.

At its heart, the museum invites you to step back in time through an incredible collection. Combining the treasures of great civilisations - from Ancient Rome to Ancient China, via Greece, Egypt and the Near East - with those of our own History, that of Belgium and Hainaut, this museum of art and history offers you a unique journey, at the crossroads of eras and cultures.

Whatever the season, Mariemont is sure to be a rich experience!
