Come and spend an unforgettable moment in the largest museum of Wallonia! Upon arrival let yourself fall under the charm of our natural and archaeological parc in which you'll encounter romantic ruins of an 18th century castle and majestic exotic essences.

At the heart of this verdant oasis, an ambitious architectural achievement invites you to a journey at the crossroads of time and cultures: treasures from all over the world and of great civilisations - from antique Rome to ancient China, including Egypt and Middle East - Intertwine with those of our own Hainaut province and Belgian history.
