Visit one of Belgium's largest fortified castles and embark on a journey through over 1,000 years of history ! Standing on three rocky outcrops overlooking the Semois and the town, Bouillon Castle, with its maze of corridors and huge vaulted rooms, is considered to be the oldest and most interesting vestige of feudalism in Belgium. With your Bouillon City Pass+, you can also take in the impressive falconry show in the castle's main courtyard.

Add to your discoveries with a visit to the Ducal Museum.

On the programme : discover Bouillon's thousand-year-old past thanks to varied and attractive collections. The great regional painters and the city's important industrial past complete this unforgettable journey of discovery. A moment of relaxation and culture not to be missed.

Look out for a brand new attraction !
