Hear ye, hear ye!

Knights, damsels and noble lords, miscreants and other villains are also welcome!

With its magnificent towers and fine woodwork, Château de Vêves looks like something out of a fairytale.

It is considered to be one of the most beautiful medieval castles in Belgium, an exceptional part of Wallonia's heritage and voted Wallonia's Favourite Built Heritage in 2019!

Come and discover this exceptional heritage of Wallonia. The Middle Ages with a capital M await you.

Proudly overlooking a superb valley, it's just as pretty on the inside: still inhabited by the same family and fully furnished, the 'Sleeping Beauty Castle' is sure to delight young and old alike!

Staircases, galleries, terraces, large rooms, a chapel and small chambers all invite you to wander around for pleasure. We recommend that you let yourself be guided according to your desires and the time you have available, progressing from floor to floor.

Set off in search of the Holy Grail to obtain eternal life.

No less than Lancelot, Perceval, King Arthur & Engrevain, son of Lot of Orkney and Morgause, 2nd best knight in the world, and many others are on the hunt.

But it has been preciously guarded here, within the walls of the Château de Vêves, for over 800 years, protected, defended body and soul so that it can be passed on to future generations.

That generation is ... you! WHO will find it?
