Get a whole new angle on Dinant from the exciting vantage point of a glass-panelled cable car!

From the top of the high ramparts, you will enjoy seeing the meandering river Meuse winding its way into the distance. Within the walls of the fortress, the Weapons Museum, slide shows and ruined Shelter bring back to life many highlights in the history of Belgium and Europe.

In addition to the tour, the site features a comfortable and friendly-priced restaurant (discount rate for groups) set on the Grand-Place at the foot of the cable car, and a cafeteria-chip shop at the summit – not forgetting the magnificent "cannons and bunkers" terrace.
