Inaugurated in 2023 in the heart of the Bourse, the Belgian Beer World Experience is a space designed to allow every visitor to discover the history of beer through time and through the lens of Belgian culture. Throughout a route created by museology experts, you will enjoy a sensory, playful and emotional experience, enhanced by numerous interactive elements. A mini-tasting also awaits you during the visit.

After a visit of about one hour, you will reach the shop, where you will find beautiful souvenirs to help you remember your time at the Belgian Beer World Experience.

And to end on a high note, you will arrive at the stunning rooftop The Beerlab, a fully glazed bar set atop the Bourse, offering a 360° view of the centre of Brussels and the spire of the City Hall. There, you can enjoy a glass of beer (included in your ticket) chosen from 150 different beers (Soft drinks and alcohol-free beers are also available)
