

EBEN EZER TOWER

Car park

Coach park
1 parking spots

An exceptionally harmonious and poetic site, and genuine ode to contemplation and reverie, this fantastical tower built by Belgian stonemason Robert Garcet is bathed in an extraordinary atmosphere, combining symbolism with beautiful craftsmanship and a charming environment.

Dedicated to the brotherhood of man, the Eben Ezer tower opens the door to a world of archaeological, paleontological and historical discoveries, together with the universal philosophy of Robert Garcet.

An ode to relaxation, friendship and human warmth.
