Discover a fairytale world!

After setting up home in the picturesque little village of Les Hayons (near Bouillon), Marie-Laure and Michel now regale visitors with their figurines built on a scale of 1:4, portraying the characters of the Ardennes in bygone days.

Treats include legendary figures such as elves, fairies and witches, together with the region's inhabitants.

The figurines pay tribute to traditional basket carriers, washerwomen, fishermen, priests, shepherds and their flocks and the village mill – in short, the everyday people of olden times.

For extra fun, some of the little characters are animated too...!
