Everyone knows what is typically Belgian. Or do they?

Located in the heart of Brussels, next to the Royal Palace, the BELvue museum let you discover today's Belgium and its history through seven themes: democracy, prosperity, solidarity, pluralism, migration, language and Europe.

Have a look at the gallery too: there are more than 200 Belgian objects to view, each one forming a tangible memory of Belgium.

Do you want to discover the museum as a family? Yes, you can!

There are several play tours for children aged 3 to 12 (€1/child).

Simply ask at the reception desk.

Discover also from 4/06/2025 until 5/01/2026 the exhibition ART DECO.

The style of a society in the throes of change.
