The Parliamentarium is the largest parliamentary visitors' centre in Europe and the first such exhibition in the world to be fully operational in 24 languages. Handheld multimedia guides accompany visitors on their tour, explaining the path towards European cooperation, how the European Parliament works, and what its Members are doing to meet the challenges of today.

As an added experience during your visit, you can step into the shoes of a Member of the European Parliament with our interactive roleplay game. Players are divided into fictional political groups to negotiate and debate hypothetical laws.

Find out why over 350,000 people visit the Parliamentarium each year!
