

AVOUIERIE STORIES

Maestro

We know thousands of stories about beer! All kinds of stories. Stories of discoveries and conquests, justice, achievements and records, ancient prehistoric tales and modern stories of emotions and delicacies.

In the sumptuous setting of the Château de l'Avouerie d'Anthisnes, we will tell you them all! First, you will explore the 15th-century brewery and then climb the floors of the 13th-century medieval keep, all of which are fun spaces dedicated to the great adventure of beer. Children are not left out, as they will learn the secrets of the castle and/or regional legends through play. A perfect experience to share with the family!

And to round off each visit, we offer a tasting of beer or artisanal apple juice.
