Located to the South of Charleroi, Le Bois du Cazier is a must-see industrial heritage site.

The museum itinerary dedicated to coal, steel and glass features three areas: the August 8th, 1956 area, Industry Museum and Glass Museum.

Tucked away in green countryside, this architectural ensemble, crowned with two pit-head frames, is encircled by ancient mine heaps perfect for a relaxing stroll.

This UNESCO World Heritage Site also boasts a European Union label.
