LIVE OUT AN ADVENTURE WITH ALL THE FAMILY!

Once again this year, Sortilege.be welcomes families for a 100% immersive adventure in an enchanting and mysterious forest! On the outskirts of Brussels, set off together to meet elves, trolls and knights, and dive into a world where every crossroads can reveal a new surprise.

From the very first steps, the adventure begins: will you dare to cross the Stinking Marshes, where strange smells and curious creatures put your senses to the test?

Can you outsmart the traps of the Twisting Vale, a natural labyrinth where observation and teamwork are essential?

Each place has its own atmosphere, its challenges and its inhabitants, not always reassuring but often very amusing!

Here, the whole family becomes heroic: you run, you search, you explore, you laugh.

Guided by our passionate Anim'Actors, you solve riddles, help the kingdom's characters and move the story forward through your own choices.

Along the shady paths, imagination sparks, bonds grow stronger and magical moments keep piling up.

An adventurous, nature-filled and totally refreshing experience to enjoy together, far from screens and daily routine, and one that leaves you with memories to treasure.
