"The Spin Cablepark" is a haven for towed water sports aficionados, with attractions including waterskiing, wakeboarding, kneeboarding and wakeskiing for all – and you don't need a boat!

The towing system is placed on the water, forming a large, 620-metre circular course.

Two pulleys (one out and one back) make it easy to learn how to get up and off, even for the youngest sports fans! Various obstacles (kickers, wedges, sliders, roofboxes and softboxes) are placed around the course for bravehearts!

Sessions for kids aged between 6 and 11 years are held every Saturday and Sunday from 11.00 to 13.00 (except in July and August).  
SUBJECT TO PRIOR BOOKING - max 8 children per session.

The "mini ski lift" is available on demand for individual lessons (subject to prior booking on [info@thespin.be](mailto:info@thespin.be)).

For hire: paddleboards and bicycles.

Other activities: beach volleyball ground, boules court, skate ramp and slackline.

Escape games: info and booking: [www.thespin.be/escape-room/](http://www.thespin.be/escape-room/)

If you'd like to play on other days than offered on the site, please write an e-mail to [info@thespin.be](mailto:info@thespin.be)
