Climb aboard Liège's new riverboats!

You can embark at Quai Van Beneden opposite the Liège Aquarium-Museum (now the river hub), or at 5 other boarding stations between Coronmeuse and Pont de Fragnée, 7/7 from April 1st to October 31st!

The boats depart every hour, both ways and from each boarding station, from 10.00 to 18.00. You can hop on a riverboat to reach La Boverie museum, the Grand Curtius, Wallonia Folk Museum, Historic Centre or Guillemins Railway Station.

The price of this new service? €1 per stop! Better still, you can buy a day pass for just €8 for full-day, unlimited rides.

During your boat trip, you will discover the various quarters of Liège between the River Meuse and foothills, and admire the town from the river as you sail peacefully along the Meuse on board the Vauban or Atlas V.

The boats feature a large, comfortable panoramic saloon and partially-covered sundeck, not forgetting a bar when you can buy chilled drinks.

Liège-Croisières also offers a 120-seater boat for groups: the spacious, yacht-style Prince Albert. This boat can also be privatized on request.
