Come and see the "Chemin de Fer à Vapeur des 3 Vallées," one of the nicest Museum lines in Europe.

Go back in time on board a real steam train and travel through the "Three Valleys" with their amazing landscapes. Leaving from Mariembourg the train goes to Nismes, Olloy/Viroin and Vierves, before reaching Treignes, the terminus of our journey and also the last station before the French frontier.

Bikes and Wheelchairs can be carried.

Come and see our Bar/Dining car.

On reservation we can organise special celebration meals throughout the year.
