Come and discover the 3 Valleys Steam Railway, one of the finest museum networks in Europe!

Leaving from Mariembourg, travel through the 'Three Valleys' and its landscapes on board of an authentic steam train of yesteryear.

On your way to Treignes, have fun spotting key sites such as the rock at Lomme, the marquise de la Gare d'Olloy-sur-Viroin or the Chateau de Vierves with its distinctive bulbous roof...

The steam train is accessible to people with reduced mobility and bicycles.

Prices include a return journey (one-way tickets available on request).

Bikes and Wheelchairs can be carried.

Come and see our Bar/Dining car.

On reservation we can organise special celebration meals throughout the year.
