Discover Plopsaland Ardennes, located at the foot of the Coo Waterfalls, the ideal destination for an unforgettable day of adventure. With over 25 sensational attractions, this park offers the perfect mix of nature and excitement, suitable for all the family.

Unleash your inner adventurer by taking part in over 25 thrilling attractions, in a magnificent natural setting! Daredevils can challenge themselves on the 600 metre long Bob-Luge. Or enjoy the breathtaking view from the 65-metre-high Mega Mindy Flyer, with its panoramic view of Plopsaland Ardennes and the impressive Cascades of Coo. For lovers of heights, the Bel RTL chairlift offers an unforgettable experience with a view of the Ardennes like you've never seen before! But be on your guard, because it seems there are villains roaming the park. So join Mega Mindy in the challenge and go after them on the Flying Bikes. The harder you pedal, the higher you climb.

And don't forget to visit Vic the Viking and his friends for a lightning-fast ride in Vicky The Ride, where you'll fly through the park at top speed. And if you want even more thrills, don't forget to try the Maya Splash. Free the Smurfs captured by Gargamel in the Smurfman! Finally, don't miss the DinoSplash, an exciting aquatic attraction with three slides in a giant volcano where prehistoric dinosaurs pass by! For the little ones, there's the animal meadow, where they can play among chickens, goats and other animals. Explore the park on the back of the Little Rabbits.
