?? Dive into the adventure at Walibi Belgium in 2026!

In 2026, Walibi Belgium continues to push the limits of entertainment and invites you to experience a year filled with excitement and discovery. Whether you're a thrill-seeker or looking for unforgettable moments with your family, the park promises an even more immersive and exhilarating adventure than ever before.

? Dock World: the new world making waves

Step into Dock World, the stunning new themed area that has captured the hearts of visitors! Inspired by a charming fishing village, this immersive zone plunges you into a spectacular maritime atmosphere.

At the heart of Dock World lies Mecalodon, Walibi Belgium's sensational new attraction. This family coaster reaches 65 km/h over 925 meters of track, skimming the surface of the water through a series of thrilling twists and drops.

A true success story, Mecalodon has earned an outstanding 9/10 satisfaction score from visitors and received several prestigious awards, including the title of European Top New Attraction.

?? Classics reinvented

The park's iconic attractions, Flash Back and Turbine, have been completely reimagined! Now part of the Dock World universe, they immerse you in the atmosphere of an industrial harbor, where every detail enhances the adventure.

?? A year full of emotions

Throughout the year, Walibi transforms to offer unique experiences every season.

✓ During Halloween, the park once again becomes Ibilaw, an upside-down world filled with thrills and eerie surprises.

✓ Finally, Walibi Winter brings the year to a close with its magical charm — twinkling lights, a cozy winter atmosphere, and heartwarming moments to share with family and friends.
