Information

Parc Mont Mosan, a mountain of smiles to share with the family

The **Parc Mont Mosan** is that joyful escape where children laugh endlessly and where adults rediscover the simple pleasure of watching them marvel. Located **just steps from the Huy cable car**, this human-scale leisure park is designed above all for **families** and **school groups**, in a relaxed, colourful and genuinely friendly atmosphere.

Here, there is no rush against the clock: visitors take the time to have fun, applaud, discover and share a truly enjoyable day together.

Animal shows that make eyes shine

Among the highlights of the visit, the **sea lion and parrot shows** hold a special place. Highly appreciated by children, they combine **dynamism, humour and educational value** in a joyful and welcoming atmosphere. Applause bursts out, laughter echoes, and visitors find themselves learning while having fun.

The **feeding of the seals and penguins** is another highlight, often experienced as a special moment. Observing the animals up close, understanding their habits and feeling the enthusiasm of the caretakers create moments that leave a lasting impression on younger visitors.

Games, attractions and discoveries for all ages

Parc Mont Mosan lives up to its slogan: **a mountain of fun**. Children can let off steam freely in the **playground**, enjoy **rides and attractions** suited to their age, and explore the different areas of the park safely.

The **mini zoo** and **Dino-Land** add an element of discovery to the day. Between familiar animals and fascinating creatures from another era, curiosity is constantly stimulated. Around every corner there is a surprise, and each area has its own atmosphere.

And to celebrate its **40th anniversary**, the park has already announced **new attractions for 2026**, promising even more laughter and new experiences in the seasons to come.

A park designed for families and schools

What makes Parc Mont Mosan so appealing is its **balance**. The offer is rich enough to fill an entire day without ever feeling overwhelming. Families appreciate the clear layout of the park, its human scale and the attention given to children.

School groups also find an ideal setting for a fun and educational outing, where shows and animal discoveries naturally fit into a day of relaxation.

A joyful break in Huy

Its location, **in the immediate vicinity of the Huy cable car**, makes it easy to plan a combined day of leisure, walking and discovering the town. Parc Mont Mosan therefore fits perfectly into a family getaway in Wallonia.

Visitors often leave tired but happy, with heads full of memories and children already asking when they can come back.
