Located in Hotton, between Durbuy and La Roche, Riveo invites you on a totally unique foray into river life and its rich flora and fauna.

The tour begins with the "Par Toutéthys" exhibition unveiling 5 of the planet's major rivers. Kitted out with an interactive passport, visitors travel the continents to discover extraordinary species, fabulous animals, quirky anecdotes, surprising fishing techniques, thrilling tales and today's environmental issues.

Reconstructed branches of the river and aquariums home to freshwater fish are presented in the unique and surprising setting of a semi-buried building.

Riveo also hosts a myriad of nature and fishing activities for an unforgettable day out (please book in advance).
Check out the diary at www.riveo.be.

When Spring comes around, you can also enjoy the thematic gardens and a novel crazy golf course that lives up to its name!
