Located in Haute-Meuse, in a magnificent haven of forests and rivers, the Water Gardens of Annevoie are a genuine pearl set against a luscious green backdrop.

These Gardens, where French-style splendour and majesty blend harmoniously with English romanticism and Italian refinement, were designed to unveil their riches little by little as your walk unfolds.

The surprises and extraordinary variety awaiting you are endless, with treats such as tulips in spring, fragrant summer flowers and a kitchen garden.

Feel free to visit this exceptional place where the water has been flowing nonstop for over 250 years without the help of machinery. A real breath of fresh air for all the family...

Amenities: playground, souvenir shop and on-site catering.

Highlights: educational days led by a guide in costume dress (during school term and subject to prior booking).
