Plunge into the heart of lake life at the museum, learn all about the tips and tricks of aquatic animals and follow the life of the lake through the seasons on a big screen.

On weekends and during school holidays, a nature guide unveils the hidden secrets of the lake thanks to cameras placed on site and inside the nesting boxes.

Ready for a walk?

It's time to take a closer look at the lake from its banks and the treetops! Get ready for a 500-year voyage into the lake's tumultuous history.

You will also learn how you can help protect the environment.

Children's playground - picnic spots - barbecue - tavern restaurant with terrace - nature shop - walk departure point.
